

Who doesn't love grilled food? With our SZZL

American Grill, there's so many options to

choose from. For instance, SZZL Burger is a

part of our concept featuring, you guessed it,

burgers. SZZL Burger offers your classic

lunch or dinner that is sure to please. The

menu items will tickle your taste buds from

across the room. Our thick and juicy burgers

are hands down the best around. These

mouth-watering burgers will quickly become

a campus favorite. An American classic

anywhere you go. Served with or without cheese.

SZZL Chicken is another contender that includes

our most popular items at many of our locations.

Prepared to perfection menu items include

Chicken Tenders, Chicken Wraps, and our

Chicken Tender Subs. Lunch and dinner never had

it so good. These flavorful items are always in

demand and a big time crowd pleaser. And let's not

forget a classic-- SZZL Philly. Switching it up a bit

by adding Chicken Philly and Veggie Philly to the

menu, this American Grill can't get more classic.
